

Veterans First Outreach

By Veterans of Foreign Wars, Post 1481 Ogden, Utah

All veterans come join us on January 13, 2012 from 9:00 a.m. - 1:00 p.m. in the Union building at Weber State University's (WSU) Main Campus and get help with new and existing Veterans Administration (VA) claims and learn about your veterans benefits!

We are bringing together all military service organizations and organizations that unite and support veterans to educate the WSU student population and to assist all veterans with new and existing VA claims.

Coordinator: Master Sergeant Retired Balentino "Bále" J. Perez,
